Please highlight the dives you would like to do and give your list back to me ASAP. Please note the minimum grade required. Hopefully we can cater for everyone's tastes in this year's diving. The rules for dive booking are as follows:

1. Remember that about 30% of all our dives get cancelled due to our fantastic British weather – **DON'T MOAN, IT'S NOBODY'S FAULT**. Book extra at the start of the year to make up for the cancelled dives.
2. Try to book ALL dives for the season in January/February as it'll save being disappointed when trying to get on dives at short notice.
3. If you want to get on any dives that you are NOT already booked on ring me. There may be places. First come, first served within crew balance restrictions.
4. You **must have a current medical/declaration** to participate in dives. This is an insurance as well as safety requirement. **No current medical/declaration, no dive**.
5. Your £30.00 dive deposit and Club Membership **must be fully paid. No money, no dive**. All cheques made payable to **CROYDON BSAC 23**.
6. Note that if you pull out of a dive with **less than 3 weeks notice** you will be liable for the full cost of that dive (i.e. your deposit will be pulled!!). That doesn't stop you finding a replacement but this must meet with The Diving Officer's (**Paul Carvall 07932-676205**) approval.
7. We need a **£50 - £100 deposit** for any planned weeks/weekends away (i.e. Plymouth(s), Weymouth &/or Mull) as soon as possible after you get your dive sheets back. The full cost of the weekend including any accommodation must be paid no later than one month before the weekend. All cheques made payable to **CROYDON BSAC 23**.
8. Please come down to the pub on the Wednesday before your booked dive to confirm meeting times etc (or phone me before the Wednesday night).
9. Make sure you phone the dive marshal the night before the dive to check that it is on.
10. If you need to hire club equipment it is YOUR responsibility to arrange it in reasonable time with The Equipment Officer (**Alan Lawrence 07930 149 625**). **THIS INCLUDES MAKING SURE YOUR CYLINDERS ARE FILLED**.
